

Golf League!

It's that time of year again! Sign up for the Golf League

Current and former Lockheed Martin employees plus other contractor (JE/Spacehab, Boeing, etc.) and NASA employees are invited to sign up to play in the GL 2002 season.

The league consists of two-person teams¹ competing head-to-head in handicapped² stroke and match play.

Play begins at 5:00 p.m. (shotgun start) on Tuesdays beginning April 23rd and runs through late September or early October (as daylight permits). We're excited to be moving to Magnolia Creek this year (<http://www.magnoliacreekgolf.com>).

The initial league sign-up fee is \$45. Then it's \$20 per week for green fee, range balls, and ½ cart. The entry fee is due by COB Wednesday, April 17th.

If you are unable to commit to the entire season as a regular player, consider signing up as a substitute³. You'll have plenty of opportunities to play and you'll meet a lot of nice ~~hackers~~ golfers!

For more information, contact Chris Slovacek (W:281-483-8124 or H:281-286-8043) chris@thatcomputerguy.net or Chip Heinol (W:281-853-1505) chip.c.heinol@boeing.com. Go to <http://www.thatcomputerguy.net/golf> to download signup sheet.

¹The number of teams may be limited but the actual number has not yet been established.

²We will be using last year's handicaps for former members. New members must submit at least 5 recent nine-hole scorecards in order to establish a handicap at least one week prior to April 23rd.

³Substitutes must also establish a handicap as described above. Substitutes are responsible for paying for the rounds they play unless other arrangements are made by the league member.
